

# JINGLE BELL JIGGLE

## Supplies

2 empty kleenex boxes

2 adjustable belt or ribbon

20-30 jingle bells

1. Fasten the belts or ribbons to the bottom side of the boxes.
2. Split the bells evenly and put them in each empty box
3. Each player fastens the belt or ribbon around their waste so that the box is on their backside.
4. Players are to wiggle and shake until all the bells out of the box. Hands may not be used. First one to lose all their bells or whoever has the fewest left at the end of one minute is the winner.
